INDIGENOUS COMMUNITY SPORT DEVELOPMENT GRANT PROGRAM GUIDELINES

1. PURPOSE

To provide financial assistance to support new or the expansion (enhancement) of existing organized community sport programs for Indigenous children and youth in Saskatchewan.

Expansion refers specifically to the growth of an existing program in a way that introduces new opportunities for athlete participation. This may include:

- Enhanced equipment and resources.
- Increased access to qualified coaching and instruction.
- Expanded programming to additional age groups.
- Delivery of programming in new locations and communities.
- Opportunities for league play and competitive participation.

Expansion does not include general program enhancements such as increased practice time, individual coach development, administrative improvements, etc. The focus must be on launching new programs that are designed to be sustainable beyond the grant period.

2. DESIRED OUTCOMES

- Increase the number of Indigenous children and youth participating in organized sport programs in Saskatchewan.
- Enhance and sustain organized sport opportunities for First Nations and Métis children and youth through new and improved programs.
- Reduce barriers and support equitable access to organized sport opportunities for Indigenous children and youth.
- Strengthen collaboration between Indigenous communities, schools, and sport organizations to organize leagues, tournaments, competitions, and shared programming opportunities.

3. SOURCE OF FUNDING

The Indigenous Community Sport Development Grant Program is jointly funded through Sport Canada's Indigenous Participation Bilateral Agreement through the Province of Saskatchewan and the Sask Lotteries Trust Fund for Sport, Culture and Recreation (Trust Fund). This grant is administered through Sask Sport and the Sport, Culture, and Recreation Districts.

For more information regarding the Indigenous Participation Bilateral Agreement, please see <https://www.sasksport.ca/programs-services/general-participation-and-indigenous-bilateral-agreement/>
